

Admin Manual

Admin lands on the Home page and clicks on the “Login as admin” button.

This takes the admin to the AdminLogin page, where admin needs to enter Username and Password

A screenshot of the AdminLogin page. The header is identical to the Home page. The main content area has a light gray background with the heading "Enter your credentials to login as Admin!". Below this are two input fields: "Username" with the value "Aslan" and "Password" with three dots. Below the password field are two buttons: "LOGIN" and "CLEAR". At the bottom of the page, there are two orange buttons: "LOGIN AS A CUSTOMER" and "LOGIN AS RESTAURANT".

Then Admin gets into the system and lands on the Admin Dashboard Page, where he/she can see the list of all the restaurants registered in the system currently.
